Making Great Communities Happen

"MAP exists so that Michigan will consist of healthy, safe, attractive and successful communities built first and foremost on quality community planning."

The **Michigan Association of Planning** (MAP) is the only organization in Michigan devoted solely to representing elected and appointed local officials and professional planners, who share a commitment to making informed land use and planning decisions.

Since 1945, MAP has worked to improve the communities where we live, work, play, and learn. Through advocacy, education, and information, MAP strives to help its members achieve a desired quality of life through comprehensive community planning that includes opportunities for a variety of lifestyles and housing, employment, commercial activities, and cultural, and recreational amenities.

Through a variety of services and programs, MAP serves to assist all land use decision makers in Michigan with building the best communities.

Member Services & Programs

Regional and On-site Workshops

Held in various locations around the state, MAP's **regional workshops** are educational programs designed to bring both advanced and basic training to elected and appointed local officials. With our convenient **on-site workshops**, we send the instructor and training materials to your location.

Michigan Planner Magazine

Every month the *Michigan Planner* and the *Michigan Planner e-dition* keep MAP members up-to-date on the latest techniques in planning and land use, as well as strategies being applied in communities around the state.

Publications

MAP produces over a dozen different guidebooks, manuals, and other resources on a variety of topics, some of which are included in your annual membership. Check out our webpage for the latest available publications.

Member Discounts

MAP members receive valuable discounts on all Association workshops, conferences, and educational materials.

Web Site

MAP's ever-expanding site, www.planningmi.org, gives you the latest news on MAP legislative initiatives and decisions made at the capital regarding land use, association events, upcoming educational workshops, job postings, and more.

AICP and MSU Master Citizen Planner Credits

Most MAP courses qualify for certification maintenance (CM) credits for AICP members and MSU Extension Master Citizen Planners. Fulfill your continuing education requirements by participating in MAP programs.

Sponsorship and Advertising

Sponsorships and advertising opportunities are available to private sector members interested in additional exposure through the Web site and event sponsorships, display advertising, and legislative support.

Networking Opportunities

MAP members gather each fall for **Planning Michigan**, the premier educational conference for planners in Michigan. The annual **Spring Institute** and **Legislative Assembly** also provide valuable networking time. MAP members may become more involved in the association through election to the Board of Directors or appointment to committees.

Membership Classifications

Individual Membership **\$60**

Individual memberships are typically held by: a local elected or appointed official whose community does not hold a group membership, but who understands the benefit of belonging to a professional organization; or a professional planner who has not received national certification and does not belong to the American Planning Association (APA). APA members automatically receive the MAP membership through their dues to APA.

Contributing Membership **\$100**

These upgraded membership categories allow members to contribute additional funding to help MAP forward its mission. Contributing and Sustaining members receive the standard membership benefits plus recognition on the Web site, at MAP events, and in the *Michigan Planner*.

Sustaining Membership **\$200**

These upgraded membership categories allow members to contribute additional funding to help MAP forward its mission. Contributing and Sustaining members receive the standard membership benefits plus recognition on the Web site, at MAP events, and in the *Michigan Planner*.

Group Membership **\$625**

Group memberships are designed for cities, counties, townships, or villages, and can include the community's elected board, planning commission, zoning board of appeals, and staff. This membership category accommodates up to 12 members. Additional members can be included in the group for \$50 per person.

Corporate Membership **\$750**

This membership level provides private companies with recognition as a heightened supporter of the Association's activities. All corporate members are acknowledged at MAP events, on our Web site, and in the *Michigan Planner* magazine. Full membership benefits for up to 12 members of your company are included.
