

CITY OF FLINT
POSITION OPENING
Chief Planning Officer

POSITION DESCRIPTION: CHIEF PLANNER

The City of Flint seeks to hire a highly motivated Chief Planning Officer to lead a Comprehensive Master Planning process within the Department of Community and Economic Development. Candidates are encouraged to apply who have significant experience in managing forward-thinking, sustainable urban planning projects and a demonstrated ability to coordinate decision making across multiple entities and stakeholder groups. The successful candidate will be challenge-oriented and sensitive to the City's social and geographic dynamics. Flexibility, open-mindedness and creativity are highly desirable. Associated duties and further qualifications are outlined below. Review of applications will begin on Monday, March 21, 2011. Applications will continue to be accepted until the position is filled.

CITY OF FLINT BACKGROUND:

Once nationally celebrated as one of the country's booming cities, Flint, Michigan is facing significant challenges related to economic disinvestment and population decline. The many challenges associated with the economic and social restructuring are readily apparent within the city, among them large-scale residential abandonment, unremediated brownfield sites, high rates of poverty, lack of commercial vitality, and public safety concerns.

Confronted by these painful transformations, the City of Flint and its people have demonstrated resilience, resourcefulness, and an enduring belief in the City's potential for renewal. Signs of a growing momentum for the city's recovery is visible in the recent rejuvenation of Flint's downtown core, increased citizen involvement in neighborhood improvement efforts, and a proliferation of public, private, and civil-sector partnerships that foster economic development, arts and culture, and education.

Presently, the City is preparing to launch a broadly inclusive process that will engage citizens, civic leaders, and local partners in creating a new comprehensive plan to guide Flint's development over the next three years. Initiated under the Department of Housing and Urban Development's, Office of Sustainable Housing and Communities, Community Challenge Planning Grant Program, this effort represents a decisive opportunity for the people of Flint to determine the shape of their future, and for Flint to play a leading role in redefining American prosperity in the context of innovative sustainable urbanism.
