

## Web Page Sponsorship Opportunities

In addition to increased advocacy and improved professional development programs launched in 2005, MAP has updated our Web page to reflect our elevated status as a planning and land use leader in Michigan. And herein lies an exciting opportunity for you... As a service to our member consultants, we are offering sponsorship opportunities on the new Web page. Three levels of sponsorship are available:

**Home Page Sponsor:** There are four, \$1,500 sponsorships available in this category. The sponsorship benefit includes your logo on the front page with a direct link to your homepage, for one year after the launching the new Web site. Two have already been taken!

**Job Page Sponsor:** One of our most frequently visited pages, there are 4 \$1,000 sponsorships available. Again, your logo with a direct link to your home page is included.

**Legislative Activity Page:** As we maximize our legislative presence, this will be the page to visit. As MAP already has demonstrated, we are now key players in Lansing, having been invited by Representative Elsenheimer to write the unified zoning act bill, and by Senator Birkholz to write the unified zoning act bill. This legislative session has seen more land use related bills introduced than in many years. Planners are eager to know more, and the MAP legislative page will become the most complete resource for land use legislation and analysis. Four sponsorships are available in this category at \$1,000 each.

Please feel free to contact the staff at 731.913.2000 for additional questions regarding sponsorship opportunities.
