## GOLF FOR A GREAT CAUSE!

In 1993, the Memorial Scholarship Program was developed by Larry Bauman and Mike Banas to honor Mike Manore, a dear friend and colleague.

The Memorial Scholarship Program was created to perpetually fund scholarships for graduate and undergraduate urban and regional planning students in Michigan.

The program was expanded in 2003 to provide funding to train elected and appointed officials in Michigan, and in April 2011, further broadened to incorporate scholarships for professionals. To date, more than \$74,000 has been awarded in scholarships.
