

Inclusive Housing & Universal Design Workshop

Creating Solutions. Building Community.
Designing for All.

Thursday, September 11, 2025

9:00 AM – 1:00 PM

1709 John R Rd, Troy, MI 48083

Join Disability Network Eastern Michigan and the Michigan Association of Planning for a hands-on workshop that unites architects, interior designers, builders, developers, code officials, housing advocates, and people with disabilities.

We'll co-create kitchen and bathroom design templates that improve accessibility.

RSVP Required – Space is limited!

Why Attend?

- Shape the future of accessible housing through collaboration.
- Learn from nationally recognized facilitators in universal design and community planning.
- Share your lived experience and professional expertise in a solution-driven setting.
- Contribute to a pattern book of design templates that will be shared statewide.
