

BREAKFAST, BEVERAGES & BRIGHT IDEAS

Traverse City | Tuesday | April 24, 2018

4:30 - 5:30 PM Walking Tour -- the Depot Neighborhood (1 AICP CM Credit)

This walking tour will highlight the Depot Neighborhood, a new mixed-income and energy-efficient development located in the heart of Traverse City. The project incorporated net-zero design in affordable housing units through a cross-sector partnership that includes two nonprofits, city government, and a private landowner.

Learn about how the partnership aspects of the project created opportunities; discuss some of the complexities in the affordable housing development process; hear a project update; and explore the environmental, economic, and social benefits associated with infill development.

Presenters: *Sarah Lucas, Director of Community Development, Networks Northwest; Geoff Streit, Chairperson, Homestretch; and Wendy Irvin, Executive Director, Habitat*

Meet at The Filling Station Microbrewery to start the tour. Parking is available at the brewery.

The Filling Station Microbrewery
642 Railroad Place
Traverse City, MI 49686

The tour will end at The Filling Station

5:30 - 7:00 PM After-Glow

Join us at The Filling Station for dinner on your own and networking with fellow planners.

What is a MAP Breakfast, Beverages & Bright Ideas (BBB)?

Launched in Metro Detroit 5 years ago, MAP is expanding this successful event series to bring informal educational programming and networking opportunities to our members and friends throughout Michigan.

Look for events including walking tours, breakfast panels, brown bag lunches and "Planners' Night Out" networking events at local watering holes. The events will cover planning and development initiatives in your communities, highlighting your innovative planning work.

The BBB series is designed to energize and inspire in a fun and informal fashion.
