

**Community Pollution
Prevention (P2) Grants
Program**

Office of Environmental Assistance
Department of Environmental Quality

The Goal of the Community P2 Grants
Program is to Promote Pollution
Prevention Initiatives that Foster
Partnerships and Sustainability

Past Community P2 Grant Initiatives

- Electronics recycling and mercury switch removal
- Waste reduction of school chemicals
- Wood stove change out project
- P2 at healthcare facilities

In 2010 the Community P2 Grants Program focused on Climate Action Planning

Climate Action - Grant Requirements:

- Development of Local Comprehensive Climate Action Plans
- Local Commitment to Climate Change
- Implementation of Local Climate Change Initiatives

Climate Action Grant Objectives:

- Create Successful Local Michigan Climate Action Planning Examples
- Implementation of Sustainable Pollution Prevent and Energy Efficient Processes At the Local Level
- Generate Interest In Climate Action and Sustainability

DEQ is Currently Administering Five Climate Action Planning Grants with:

- City of Ann Arbor
- City of Dearborn
- City of Hazel Park
- City of Ypsilanti
- City of Southgate

**2011 Community P2 Grant
Program Focus:
Community Sustainability
Planning**

Why Sustainability Planning?

Sustainable community-based initiatives will enable communities at the local level to re-examine their processes and to drive improvements and efficiency in their overall operations.

Why Sustainability Planning?

Increases in efficiency that are the result of reductions in energy and waste generation can lead to lower emissions and significant cost savings; savings which can further sustain local government operations.

Community P2 – Sustainable Communities
Initiative Grant Program Objectives:

- Create Successful Local Michigan Sustainability Planning Examples
- Implement Sustainable Pollution Prevent and Energy Efficient Processes At the Local Level
- Commitment to Sustainable Practices
- Generate Interest In Community Sustainability Planning

Eligibility

Sustainability forums, local and tribal governments, local health departments, municipalities, and regional planning agencies are eligible to receive funding.

Proposal Deadline

The Community P2 Grant Program proposal must be received **no later than 4:00 p.m., May 18, 2011**
