

Safe Routes to School

2018 Regional Trainings

The Michigan Fitness Foundation invites you to attend a Safe Routes to School (SRTS) regional training! Each training will consist of hands-on sessions designed to help you build or sustain a SRTS project and presentations meant to share best practices and success stories from some of Michigan's most innovative projects. Break out session topics include:

- Walking Audits and Action Planning
- Institutionalizing a SRTS Program
- Engaging and Changing Stakeholder's Perceptions for SRTS
- Engaging Students through Education and Encouragement Programs
- Navigating the MDOT Grant System
- Volunteer Engagement and Retention
- Strategic Partnerships for Eligible and Ineligible Projects
- Competitive & Comprehensive Bike Infrastructure in SRTS

If you are an award recipient, principal, teacher, school transportation supervisor, city planner, road authority, or community member, this training is for you. All trainings are FREE, but registration is required as space is limited.
